

ROSCOMMON COUNTY Community Foundation

Investing in Our Community, Today and Always

Dear Friend,

The Roscommon County Community Foundation invites local businesses, organizations and individuals to join the Foundation's Ambassador Club. Every year generous sponsorship by businesses and community members allow us to host events and spread awareness. Such activities may include recognizing scholarship and grant recipients, honoring those whose funds made these grants and scholarships possible, educating and informing area financial professionals about the Foundation and thanking our donors and volunteers.

What's in it for you and your business? Your generosity is publicly recognized in our annual report, on our website and social media. A large banner, displaying the current year's Ambassador Club's business logos is displayed at all community events attended by the Foundation and is always on display in our office. As an added bonus, Ambassadors are honored with an advertisement published in local newspapers. You will also receive a yard sign that will proudly display your support of the Foundation to the community.

Thank you for taking the time to consider supporting the good work being done through your Foundation's Ambassador Club. We rely on sponsorship to conduct these activities and appreciate your support. Please don't hesitate to contact us with your questions about the Ambassador Club or the Roscommon County Community Foundation.

Sincerely,

Suzanne E. Luck
